### ICE RINK INSTALLATION BEGINS ON FOUNTAIN SQUARE

CINCINNATI, November 1, 2007 – Workers have begun installing the ice rink on Fountain Square today to prepare for an official opening on November 23.

The rink may be ready for a soft opening as early as November 16, according to Fountain Square Managing Director Bill Donabedian. The rink will remain open through Sunday, March 2, 2008.

This will be the second year of operations for the new rink. Fountain Square Management Group, which owns and operates the rink, has improved it by adding patio heaters and upgraded concessions.

More information about the rink is available at [www.myfountainsquare.com/icerink](http://www.myfountainsquare.com/icerink).

Fountain Square Management Group plans and produces events on Fountain Square to support the development of Cincinnati's center city as a region of high-value employment and real estate sustained by a diverse mix of housing, culture and entertainment.
